**GOLDEN CELEBRATION**

Inspire the world to

# GROW GOLD

for childhood cancer

**2018**

Gold (G) is the national color for childhood cancer and September (the 9th month) is recognized as National Childhood Cancer Awareness Month. Together, they make G9.

Childhood cancer is an urgent health crisis, even for those who are surviving. Utilizing a noble model of turning the world gold, G9's mission is to increase funding for childhood cancer research and initiatives by growing awareness that inspires action. The 2018 G9 Golden Celebration will celebrate the power of local and national leaders coming together to find cures for childhood cancer.
